About the job

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As Co-Op Student - Digital

Strategic Partnerships Operations in our Digital Strategy & Operations Department, you will learn to perform and support daily functions. The Digital Strategic Partnerships team is a key group within the Digital Strategy & Operations organization of Sanofi Digital, a global enabling function within Sanofi focused on digital growth and transformation. The mission of Digital Partnering is to seek, execute, and establish partner relationships that address the Sanofi Group's digital strategic priorities.

We are an innovative global healthcare company with one purpose: to chase the miracles of science to improve people's lives.

We're also a company where you can flourish and grow your career, with countless opportunities to explore, make connections with people, and stretch the limits of what you thought was possible. Ready to get started?

Main responsibilities:

- As a part of the Strategic Partnerships team, this role will work closely with our business development and alliance management team to support strategic initiatives, operational processes, team communications, competitive research, and transactional activities bringing digital innovation to Sanofi. We are looking for co-op/interns who are passionate about the power of digital transformation in Healthcare to join our talented team by bringing a strategic mindset to solve business problems.
- Lead the preparation of insightful slide decks and similar content for internal business development reports, presentations, dashboards, and other critical communications ensuring consistent and powerful visuals, branding, and storytelling.
- Lead the execution of the team's internal communications strategy, including but not limited to: The marketing and execution of team events (i.e.: webinars), preparation of internal communications across the Sanofi organization, and management of the team's internal website.
- Own the preparation, design, and visualization of the team's quarterly Competitive Report and quarterly Reporting dashboard.
- Conduct thorough market research and analysis: help identify and track potential competitors, market trends, and emerging opportunities to provide actionable insights supporting strategic decision-making; contribute to the development of potential partner landscape analyses and ability to translate key insights into strong visuals that craft a compelling story.
- Cross-functional Collaboration: Collaborate with cross-functional teams, including communications and Digital Strategy, to ensure alignment and integration of business development activities with the overall company strategy.
- Support the development of enhancements to our current project and pipeline visualization tools through systems like SalesForce, Kanban boards, Portfolio+, ValueLens, PowerBI, and Microsoft Teams.

Why choose us?

- Bring the miracles of science to life alongside a supportive, future-focused team.
- Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.
- Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

Pursue Progress. Discover Extraordinary.

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
