Job Location	Toronto, ON
Country	Canada
Duration	4 months
Work Mode	Hybrid Fully Remote In-Person
Salary Currency	CAD
Salary	Salary Not Available, 0 Major List
Job Description	
Job Requisition ID #	25WD91421

Position Overview:

We're looking for a highly self-motivated backend developer intern, you will have the opportunity to work with a group of very talented software engineers and architects, as well as gain professional hands-on experiences with our flagship software product that is serving over one million users globally, and cutting-edge development technologies. We are committed to supporting our interns in their professional development and providing them with opportunities to grow and succeed. This position is for Summer 2026 (May - August).

Responsibilities:

- Participate in team meetings and practice Agile mindset throughout the software development lifecycle
- Use source control and Continuous Integration platforms such as GitHub and Jenkins for backend services development
- Write high-quality, clean, and efficient code following the development guidelines
- Collaborate with Product Owner, Scrum Master and team members to understand, analyze requirements and develop/maintain micro services.

Job Requirements

Minimum Qualifications:

- Enroll in a Bachelor's Degree or College Diploma in Computer Science, Information Systems or equivalent experience
- Strong understanding of Java programming language and object-oriented design principles
- Completed course work/projects using Java programming or a similar programming language
- Ability to work collaboratively in a team environment and an independent starter
- Strong problem-solving skills and attention to details

About the Canada Internship Program

The 2026 Canada Internship program runs for 16 weeks (May 4th - August 21st). All internships are paid. As an intern, you will contribute to meaningful projects, be mentored by industry leaders, and participate in tech talks and other activities designed to support your personal and professional development. Our internships align with Autodesk's Flexible Workplace approach, which is designed to meet the needs of our business while providing flexibility in support of office, remote and hybrid work preferences.
