Job Description	

Job Title: Student, Developer, Digital Finance Transformation (Summer 2026)

Job ID: JR00118495

Application Deadline: **January 19, 2026**

Job Description:

Sun Life's Corporate Finance team is leading the journey of Digital Enterprise (DE) for the Global Finance community through a Finance Accelerator. Leveraging DE principles and values, the Finance Accelerator's purpose is to modernize Finance through process redesign and automation, establishing best practices, developing common tool platforms on an enterprise scale and applying data and analytics to inform, influence and tackle business problems.

We are looking for a bright, energetic and resourceful person to join our team and work with the Finance Accelerator to support Process Optimization & Automation, IFRS 17 Readiness Acceleration and Reporting Optimization through business intelligence and other tools.

This opportunity is available to students with a August 2026 or later graduation date.

Citizenship Requirement N/A
