Job Description	

Definity is the parent company to some of Canada's most long-standing and innovative insurance brands, including Economical Insurance, Sonnet Insurance, Family Insurance Solutions, and Petline Insurance. Our ambition is to be one of Canada's leading and most innovative property and casualty insurers. We can't do that without our people, so we embrace and encourage a culture that's collaborative, ambitious, rewarding, and empowering.

We offer a flexible, hybrid work experience where employees work from the office and virtually depending on the type of work they are doing and who they are working with. Bring your true self and be a part of our journey. It's better here.

YOUR NEXT CO-OP PLACEMENT

Work term: Summer 2026

Work term length: 8-months

From classroom to co-op to career, every step of your journey has an impact on your future. That's why it makes sense to choose a co-op placement with a company that offers truly rewarding work and real-life experience. At Definity®, your contributions, creativity, and energy will be put to good use, and you'll get to be involved with initiatives that support our strategic goals and use your skills in a supportive team environment.

If you're looking for a company that takes care of its people - full time, part time, and co-ops alike - and has a track record of doing big things, get ready to love it here.

What you'll be doing:

- Supports weekly, monthly, quarterly reporting requirements with timely, actionable data following logical exploration on emerging trends where applicable
- Provides financial and data analysis in support of Commercial priorities with a primary focus on analytics and data mining to support analysis and informed action
- Leads data acquisition and market analysis working with the relevant internal and external teams to support business insight development
- Supports Commercial Region/Segment Leadership in obtaining timely, relevant metrics in an efficient manner to limit duplication of work with CI Operational lead roles
- Identifies and champion improvements in data structure and automated reporting to align to current Commercial Lines pricing strategies and KPI segmentation

Job Requirements

What you bring:

- Currently enrolled in a University or College Program
- Analytical focus and statistical background would be considered an asset
- Microsoft suite products is a must have
- Proven expertise in using MS EXCEL special function (VLOOKUP & Pivot Table)
- Working knowledge of VBA as well as BI tools (Cognos & Tableau)
- Ability to use data to help form decisions from a management and other internal stakeholders' perspective
- Exceptional customer service, verbal and written communication skills
- Strong ability to influence and effectively negotiate with stakeholders

Background checks

This role requires successful clearance of a background check (including criminal checks and leadership references).

Citizenship Requirement	N/A
