About Us
A career at Hitachi Rail will help create a legacy. With operations in every corner of the world, our work goes to the cutting-edge of digital transformation and technology. From the multi-cultural strength of our global organisation to the sustainable and innovative ways we work to bring people together, there's something for everyone to get stuck into. And that's where you come in.
Toronto, Ontario, Canada (Hybrid)
Internship Duration: January - December 2026 (12months)
We are currently looking for a Software Analyst Intern - Engineering Environment to join us for a 12 month internship at our Toronto office.
As a member of a collaborative development team, the individual in this role will work within the Engineering Environment team with key directions on providing development, analysis, automation and testing against the infrastructure available in our organization, in order to support Hitachi Rail Ground Transportation Systems.
Joining Hitachi Rail Ground Transportation Systems as an intern student is a great way to launch your career! Our roles always provide real-life work experiences that align to your area of study. The Early Careers Program gives you more than just a job - you have the opportunity to begin your career. We offer training, networking opportunities, career development, and social events.
Key Accountabilities:
• Develop supporting scripts that will enhance current engineering infrastructure and tools
• Prepare reporting and dashboards (Power BI) that will be used for local and global business line reporting
• Responsible for customer facing support (Service Desk), based on customers technical issues and requests
• Participate in front end development for our current transformation activities
• Collaborates in wiki community management
This position requires direct or indirect access to hardware, software, technology or technical data controlled under the Canadian

Export Control List and/or the US the Export Administration Regulations (EAR). All applicants must be eligible, or able to obtain authorization, for such access.

Thank you for your interest in Hitachi Rail. If your application is of interest, we will be in contact. Please do not hesitate to discover more about us and our latest jobs at https://www.hitachirail.com/careers .

At Hitachi Rail, there is a place for everyone. We welcome and value differences in background, age, gender, sexuality, family status, disability, race, nationality, ethnicity, religion, and world view. It is our commitment to create an inclusive environment - we are proud to be an equal opportunity employer.

We would be delighted if you would be one of our followers at https://www.linkedin.com/company/hitachirail.
