About the job

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As a Co-Op Student - Data Analyst in our Digital Data Department, you will learn to perform and support daily functions. You will support Sanofi's Enterprise Data Governance Office in driving strategic initiatives, analyzing program effectiveness, and enhancing cross-functional collaboration. This role offers hands-on experience in business operations, project management, and

data governance within a global pharmaceutical environment.

We are an innovative global healthcare company with one purpose: to chase the miracles of science to improve people's lives. We're also a company where you can flourish and grow your career, with countless opportunities to explore, make connections with people, and stretch the limits of what you thought was possible. Ready to get started?

Main responsibilities:

• Assist in the execution of data governance capabilities, ensuring alignment with enterprise objectives and strategies.

• Collaboration in and facilitation of agile/scrum ceremonies and practices

• Tracking and monitoring of daily, weekly, monthly program execution and adoptions measures

• Implement & Enhance Data Governance Dashboards for use by all stakeholders locally and globally

• Assist building and maintaining inventory of all Data & AI Products and Data Assets

• Contribute to the development and enhancement of Power Apps or other solutions used by the EDG team

• Assist in the management of data access policies and data classification

• Help manage key relationships with internal groups, business partners, and vendors.

Why choose us?

• Bring the miracles of science to life alongside a supportive, future-focused team.

• Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.

• Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

Pursue *Progress*. **Discover** *Extraordinary*.

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
