We help the world run better

At SAP, we keep it simple: you bring your best to us, and we'll bring out the best in you. We're builders touching over 20 industries and 80% of global commerce, and we need your unique talents to help shape what's next. The work is challenging - but it matters. You'll find a place where you can be yourself, prioritize your wellbeing, and truly belong. What's in it for you? Constant learning, skill growth, great benefits, and a team that wants you to grow and succeed.

About the SAP Internship Experience Program

The SAP Internship Experience Program is SAP's global, strategic, paid internship program that provides university students with opportunities to find purpose in their careers.

Three reasons to intern at SAP

Culture of collaboration: meet with mentors, make new friends across the globe and create a thriving personal network.

Project-driven experience: gain cross-functional skills from our virtual and in-person learning sessions, diverse subject matter experts, and project deliverables.

Gain visibility: with SAP Internship Experience Program in your title, you'll have a global network of SAP leaders, entrepreneurs and career development opportunities at your fingertips.

What you'll do

Position Title: SAP iXp Intern - Technical Project Coordinator
Location: Vancouver, BC
Anticipated Start Date: May 04, 2026
Contract Duration: 8 months
Work Schedule: Full-time, 40 hours per week
• Assist in the planning and coordination of meetings and follow-up of action items and key issues
• Assist in quality management for the projects
• Support day to day activities related to project management
• Perform data analysis and provide reports and insights on discovery
• Provide ad-hoc reporting services for senior management team
• Perform integration of multiple systems by writing scripts and utilizing internal tools that are built within SAP
• Provide account administration and tooling technical support for the development team

Meet your team
Do you want to collaborate with a team to learn and contribute in solving complex problems? Would you like the opportunity to hone your communication and leadership skills while growing personally and professionally? Do you want to help us build our next generation cloud analytics platform in a fast-paced startup culture that has the stability of SAP?

The Technical Project Coordinator Intern works closely with senior leaders to assist in the planning and coordination of complex multi-site, multi-cultural, enterprise software development projects. The successful candidate will be analyzing project related data, creating reports and coordinating follow-up action items derived from the data.

If you have less than three years' professional experience, you'll be part of SAP Next Gen.
SAP Next Gen connects curious, ambitious, team-oriented students and early talent to SAP's?global community of innovators, peers, and leaders.
With access to hands-on experiences that sharpen skills, and the wisdom?of the leaders shaping what's next, knowledge becomes impact and mentors become allies.??
SAP Next Gen doesn't just prepare you for the future, it nurtures your talents and your drive so that you can create it with us, together.

Bring out your best
SAP innovations help more than four hundred thousand customers worldwide work together more efficiently and use business insight more effectively. Originally known for leadership in enterprise resource planning (ERP) software, SAP has evolved to become a market leader in end-to-end business application software and related services for database, analytics, intelligent technologies, and experience management. As a cloud company with two hundred million users and more than one hundred thousand employees worldwide, we are purpose-driven and future-focused, with a highly collaborative team ethic and commitment to personal development. Whether connecting global industries, people, or platforms, we help ensure every challenge gets the solution it deserves. At SAP, you can bring out your best.

We win with inclusion
SAP's culture of inclusion, focus on health and well-being, and flexible working models help ensure that everyone - regardless of background - feels included and can run at their best. At SAP, we believe we are made stronger by the unique capabilities and qualities that each person brings to our company, and we invest in our employees to inspire confidence and help everyone realize their full potential. We ultimately believe in unleashing all talent and creating a better world.

SAP is committed to the values of Equal Employment Opportunity and provides accessibility accommodations to applicants with physical and/or mental disabilities. If you are interested in applying for employment with SAP and are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team: Careers@sap.com.

For SAP employees: Only permanent roles are eligible for the SAP Employee Referral Program, according to the eligibility rules set in the SAP Referral Policy. Specific conditions may apply for roles in Vocational Training.

Qualified applicants will receive consideration for employment without regard to their age, race, religion, national origin, ethnicity, gender (including pregnancy, childbirth, et al), sexual orientation, gender identity or expression, protected veteran status, or disability, in compliance with applicable federal, state, and local legal requirements.

SAP believes the value of pay transparency contributes towards an honest and supportive culture and is a significant step toward demonstrating SAP's commitment to pay equity. SAP provides the hourly base salary rate range applicable for the posted role. The targeted range for this position is 18.00 - 36.00 CAD. The actual amount to be offered to the successful candidates will be within that range, dependent upon the key aspects of each case which may include education, skills, experience, scope of the role, location, etc. as determined through the selection process. SAP offers limited benefits for employees hired into hourly or like roles subject to appliable plan/policy terms. A summary of benefits and eligibility requirements can be found by clicking this link: www.SAPNorthAmericaBenefits.com.

Due to the nature of the role, which involves global interactions with SAP entities, as well as with employees and stakeholders in Canada, functional proficiency in English is required for positions based in the Quebec.

AI Usage in the Recruitment Process

For information on the responsible use of AI in our recruitment process, please refer to our Guidelines for Ethical Usage of AI in the Recruiting Process.
Please note that any violation of these guidelines may result in disqualification from the hiring process.
