Job Description

What is the opportunity?

Are you interested in the opportunity to work as a **Data Student** at RBC for **12 Months**? By applying to this job posting, you will be considered for multiple roles available across RBC Technology?& Operations.

Some exciting roles you'll be considered for are:

• Data Analyst

• Data Scientist

*Please only apply to this posting if you are eligible to complete **a full 12-months** co-op term with your school.*

What will you do?

• Analyze, design, deliver, and implement analytic development projects, with the use of RBC's analytics tools

• Ensure that project activities are accomplished within approved time frames, scope, and budgets

• Apply data warehouse concepts and methodologies to various projects

• Utilize?the latest technologies available, designing and building data solutions to meet business needs

• Be an active contributor to not only your individual team, but to the RBC development community

• Constantly seek out better ways to do things, new tools, new technologies, new processes

• Work on transformational projects delivering new value

• Work as part of an agile team responsible for end-to-end delivery of business needs

• Use business domain knowledge to independently lead the analytics process to identify valuable and innovative insights

• Promote analytics across the enterprise to enable RBC to become a data-driven organization

What's in it for you?

We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.

• Network and build lasting relationships with students from diverse backgrounds from across Canada
• Participate in fun events and gamification challenges to help build your career tool kit while enjoying a work-life balance
• Leaders who support your development through coaching and learning opportunities
• Work in a dynamic, collaborative, progressive and highly performing team
• Ability to make a difference and lasting impact
• Enjoy a comfortable work environment with the option to dress casually?

We encourage you to apply as soon as possible as we accept applications on a rolling basis, but please note that the formal application deadline is **September 14, 2025.** *Should you be selected to progress, someone from our team will reach out directly to provide instructions on next steps. Otherwise, feel free to check for progress updates by logging in to your RBC profile. If the status has not changed, it denotes the fact that your application is still under review.*
