Job Description

Job Title: .NET SOFTWARE DEVELOPER CO-OP
Job ID: 2025-19558
Get ready for a Naan-Traditional placement experience!
We're not your average bakery. We're a team of passionate thinkers and doers that are challenging the idea of what a bakery can be. We operate like a startup, powered by creativity and a 'roll up your sleeves' mentality, to give our customers the best possible product.
Job Summary
Be part of an Agile Development team working on new application development using the latest
Microsoft technologies. We are a tech savvy organization, where multiple development projects
will provide you the opportunity to contribute to the growth of the organization and your personal career goals. It's a dynamic, fast paced environment with a sharp development team!
Key Responsibilities
•Design, implement, test and document web applications using .NET framework
•Create web applications that support both desktop and mobile devices
•Ensure that new code conforms to agreed coding and testing standards
•Meet the requirements and deadlines established for given projects
In compliance with Ontario's Bill 190, we confirm that this posting represents a current, existing vacancy within our organization.
Job Requirements

Key Qualifications

• Post-secondary education in Computer Science or related studies

•Up to date knowledge and experience with .NET and MVC applications

•Experience in writing SQL queries for data definition and modification

•Object oriented design and programming experience

•Knowledge on JavaScript, CSS, Microsoft Azure, Microsoft SharePoint, Microsoft Visual Studio, Microsoft SQL Server
 Management Studio

•Mobile development experience

•Eager and willing to learn new technologies

•Great team player and quick learner

Citizenship Requirement   N/A
