Job Description

Job Summary

As a QTS Developer, you will gain in depth knowledge of Capital Markets, establish strong partnerships with business units and technologists around the world, and develop your skills by providing creative, technical solutions to solve complex business issues. We offer a tailored approach to career development based on the combined interests of the growing needs of our businesses and your career aspirations. There are a variety of teams available and your interests will be taken into consideration and you will be matched according to your skillsets. In this role, the best-in-class on-the- job and in-class training and mentorship are available to you. Some exciting areas you may be able to contribute to are:

Risk Technology
Commodities Technology
Equity Technology
Fixed Income Technology

Job Description

What is the opportunity?

Are you interested in the opportunity to work as a **Quantitative Technology Services Co-op** at RBC? By applying to this job posting, you will be considered for multiple roles available across RBC QTS.

What will you do?

• Analyze business requirements and translate them to technical specifications.

•Create designs, develop, code, and perform code reviews and testing of applications, as per Software Development Life Cycle (SDLC) best practices.

•Design and integration testing of applications.

•Release and incident management of applications.
•Responsible for all ranges of project work and daily support as outlined by given business and increasing efficiencies in current
  department.

What's in it for you?

We thrive on the challenge to be our best, progressive thinking to keep growing, and working together to deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our potential, making a difference to our communities, and achieving success that is mutual.

• Network and build lasting relationships with students from diverse backgrounds from across Canada
•Participate in fun events and gamification challenges to help build your career tool kit while enjoying a work-life balance
•Leaders who support your development through coaching and learning opportunities
•Work in a dynamic, collaborative, progressive and highly performing team
•Ability to make a difference and lasting impact
•Enjoy a comfortable work environment with the option to dress casually

We encourage you to apply as soon as possible as we accept applications on a **rolling basis**, but please note that the formal application deadline is **May 16, 2025**. Should you be selected to progress, someone from our team will reach out directly to provide instructions on next steps. Otherwise, feel free to check for progress updates by logging in to your RBC profile. If the status has not changed, it denotes the fact that your application is still under review.

Inclusion and Equal Opportunity Employment

At RBC, we believe an inclusive workplace that has diverse perspectives is core to our continued growth as one of the largest and most successful banks in the world. Maintaining a workplace where our employees feel supported to perform at their best, effectively collaborate, drive innovation, and grow professionally helps to bring our Purpose to life and create value for our clients and communities. RBC strives to deliver this through policies and programs intended to foster a workplace based on respect, belonging and opportunity for all.
