JOB SUMMARY
This job is exclusively for Coop Students who are enrolled in a recognized post-secondary co-operative education program.
The mandate of Information Technology Services is to create business value by providing innovative and strategic technology solutions for the business operations of the City of Ottawa.
You are responsible for assisting with assigned information technology solutions, projects, programs and/or services. You may work in various disciplines and functions within the Information Technology environment, such as desktop support, applications, planning, business analysis, project co-ordination, software development and technology architecture support. At the City, the work atmosphere is an open, fast-paced environment where you will have the opportunity to work both independently and as part of a team.
This role is focused on developing Business Intelligence & analytics reports using PowerBI, data visualizations, including data modeling and transformations and working on AI/ML use cases. You will also work closely in cooperation with our clients to build

ETL data pipelines to serve up the right data, in the right format to create business insights.

We wish to thank all applicants for their interest and effort in applying for this position. Only candidates selected for interviews will be contacted.

The City of Ottawa promotes the principles of diversity and inclusion and adheres to the tenets of the Canadian Human Rights Act and the Ontario Human Rights Code. We encourage applications from members of Indigenous, Black and other racialized communities, persons with disabilities, women and non-binary persons, persons of all ethnic origins, religions, sexual orientations, classes, gender identities and expressions.

Candidates are encouraged to self-identify as a member of one or more designated employment equity groups in the self-identification questionnaire.

The City of Ottawa provides accommodation to applicants during all parts of the hiring process, upon request. If contacted to proceed to the selection process, please advise us if you require any accommodation.

Accessible formats and communication supports are available upon request. Please contact the Employee Service Centre at 613-580-2424 extension 12211 or via email at esc-cse@ottawa.ca.
