Job Description

MHIRJ (MHI RJ Aviation Group) is the fusion of two powerful legacies: Mitsubishi Heavy Industries (MHI) and the CRJ Series program. Headquartered in Boisbriand, Quebec, MHIRJ delivers comprehensive operational, engineering, and customer support solutions to the global regional aircraft industry. Our services include maintenance, refurbishment, technical publications, marketing, and sales activities.

With a strong Aerospace Engineering Center and a network of service centers, support offices, and parts depots across the world, we're positioned to support our global customers wherever they fly.
