About the job

Looking to launch your career at the cutting edge of healthcare? Join Sanofi for a chance to develop with mentoring and guidance from inspirational leaders while helping to make an impact on the lives of countless people worldwide. As *Co-Op Student - Quality Assurance DS-DP* you will be a part of the Quality Assurance for drug substance and drug product team supporting Manufacturing and Supply.

We are an innovative global healthcare company that helps the world stay ahead of infectious diseases by delivering more than 500 million vaccine doses a year. Across different countries, our talented teams are exploring new technologies to protect people and promote healthy communities. We chase the miracles of science every single day, pursuing progress to make a real impact on

millions of patients around the world.

**Main responsibilities:**

- Compilation of information to confirm compliance status of manufacturing operations as it relates to qualification and Master Data
- Maintain and report Key Performance Indicators (KPIs) for QA departments including trend analysis as required.
- Support Subject Matter Experts (SMEs) in preparing and updating GMP documents (SOPs, protocols, reports) as per change control requirements.
- Assist with Level 2 capacity management, planning, and scheduling.
- Analyze Right First Time (RFT) data; escalate issues and suggest corrective actions to support timely batch disposition.
- Communicate lot tracking status and delays in delivery of key documents, samples, or finished product disposition.
- Track daily and weekly completion of batch record reviews; follow up on issues delaying review.
- Assist with ad hoc projects, including presentations, visual materials, communications, and proposals.
- Contribute to process improvement initiatives to enhance departmental efficiency.
- Assist with documentation as required: scanning, publishing, archival of GMP documents.

**Why choose us?**

- Bring the miracles of science to life alongside a supportive, future-focused team.
- Discover endless opportunities to grow your talent and drive your career, whether it's through a promotion or lateral move, at home or internationally.
- Enjoy a thoughtful, well-crafted rewards package that recognizes your contribution and amplifies your impact.

**Pursue Progress. Discover Extraordinary.**

Progress doesn't happen without people - people from different backgrounds, in different locations, doing different roles, all united by one thing: a desire to make miracles happen. You can be one of those people. Chasing change, embracing new ideas and exploring all the opportunities we have to offer. Let's pursue progress. And let's discover extraordinary together.

At Sanofi, we provide equal opportunities to all regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, or gender identity.
