#### Job Description

**Job Title:** IT Co-op Student

**Application Deadline:** April 11, 2026

Martinrea International Inc. is a diversified and global automotive supplier engaged in developing and manufacturing highly engineered, value-added Lightweight Structures and Propulsion Systems. We employ approximately 19,000 skilled and currently operate in 59 locations in Canada, the United States, Mexico, Brazil, Germany, Slovakia, Spain, China, South Africa, and Japan. Martinrea's vision is making lives better by being the best supplier we can be in the products we make and the services we provide.

Our Mission is to make people's lives better by:

- Delivering outstanding quality products and services to our customers.
- Providing meaningful opportunity, job satisfaction, and job security for our people.
- Providing superior long-term investment returns to our stakeholders.
- Being positive contributors to our communities.

Martinrea's success is globally shown through its core sustainable culture. Focused on entrepreneurship, lean manufacturing principles, and the Golden Rule philosophy, Martinrea believes in dignity and respect for its people, communities, customers, and investors. Our strength is in our people, embracing a diverse culture, giving employees opportunities to help grow our footprint and expand product offerings and areas of expertise with discipline, dedication and determination.

We invite you to follow your dreams and explore a challenging and rewarding career at Martinrea.

**Job Summary:** This role is to help implement projects as assigned and support IT team members.

#### Major Responsibilities:

- IT systems support for manufacturing plant systems and integrated systems

- User (technical) support for effective and efficient use of MRP/ERP systems.
- Monitor network performance; identify problems and take corrective actions. Resolves complex problem and malfunctions of all system applications, hardware, and software and provide guidance, assistance, coordination and follow-up on user questions
- Maintenance of Attendance Systems; employee swipe clocks, reception sign-in.
- Maintain file transfer between computers and machines

*Martinrea International Inc. is proud to provide employment accommodation during the recruitment process. Should you require any accommodations, please notify us if you are contacted for a job interview.*

## **Job Requirements**

### **Education, Experience and Skills:**

- Enrolled in University or College level program in Information Technology or Computer Science.
- Minimum one year of studies completed
- Ability to work on a team and independently on projects and tasks.
- Excellent research, analytical, and communication skills.
- Attention to detail and willingness to learn
- Demonstrated ability to communicate clearly and concisely
- Strong knowledge of Microsoft Office applications
- Able to communicate and work with fellow employees in a professional and respectful manner

**Citizenship Requirement** N/A
