Job Description

Job Title: Stagiaire en développement logiciel - Été 2026 / Software Developer Intern - Summer 2026

Job ID: JR0143774

McKesson is an impact-driven, Fortune 10 company that touches virtually every aspect of healthcare. We are known for delivering insights, products, and services that make quality care more accessible and affordable. Here, we focus on the health, happiness, and well-being of you and those we serve - we care.

What you do at McKesson matters. We foster a culture where you can grow, make an impact, and are empowered to bring new ideas. Together, we thrive as we shape the future of health for patients, our communities, and our people. If you want to be part of tomorrow's health today, we want to hear from you.

Program Overview

McKesson's Intern program is designed to provide:

- A real-life working environment
- A solid foundation of experience and hopeful offer of full-time employment
- A cohort experience with other interns
- Consistent senior leadership exposure and learning experiences.

We are looking for candidates who have:

- Willingness to learn, develop, and contribute to a fun, demanding, fast-paced environment.
- Self-starter that brings both interpersonal skills abilities to identify a problem then solve it.
- Passion and enthusiasm for healthcare and our customers' success

Work Term: Summer 2026- May 4th through August 28th

Location: Saint-Laurent, QC, CAN - 4705 Dobrin Street (Hybrid)

Job Responsibilities:

- Analyze **small application requests, enhancements, and intake items** from business and IT stakeholders
- Translate business needs into **clear functional requirements and solution options**
- Design and develop **lightweight applications, prototypes, scripts, or automations** (as appropriate)
- Support **testing, validation, and documentation** of delivered solutions
- Perform **impact analysis** on existing applications and processes
- Assist with **backlog grooming**, prioritization, and status reporting
- Collaborate with developers, product owners, and business teams to ensure solutions meet expectations

We are proud to offer a competitive compensation package at McKesson as part of our Total Rewards. This is determined by several factors, including performance, experience and skills, equity, regular job market evaluations, and geographical markets. The pay range shown below is aligned with McKesson's pay philosophy, and pay will always be compliant with any applicable regulations. In addition to base pay, other compensation, such as an annual bonus or long-term incentive opportunities may be offered. For more information regarding benefits at McKesson, please click [here](#).
